

**USGA RULES GOVERN ALL PLAY  
EXCEPT WHERE MODIFIED BY LOCAL RULES**

**COURSE INFORMATION AND LOCAL RULES**

- All yardages marked on sprinkler heads are to the center of the green.
- Out of bounds is defined by white stakes and/or property boundary fences and split rail fence on #16.
- Penalty Areas are defined by red stakes and yellow stakes and/or painted lines.
- When a cart path abuts a penalty area, the edge of the cart path abutting the penalty area delineates the line of the penalty area.
- The contour lines of the rough abutting a penalty area also delineate the line of the penalty area and take precedence over the line created by the placement of stakes.
- Environmentally sensitive areas are defined by wooden split rail fences and entry into these areas is prohibited. These areas should be played as penalty areas (red stakes). Proceed under Rule 17 with penalty of one stroke. Split rail fence on #16 is a border fence and is played as an out of bounds marker.

**CONSIDERATION OF PLAY**

- Carts should remain on paths around tees and greens. Carts should remain out of the native grass areas and environmentally sensitive areas at all times.
- Please repair ball marks on the greens, fill divots in the fairways and rake all bunkers.
- An undelayed round of golf is an important tradition at The Golf Club. Please be aware of your pace of play and your position relative to that of the groups around you, allowing faster groups to play through.

*Thank you, and enjoy your round.*
